

EARTH LABS

OMEGA COCO FX

A Dietary Supplement Combining Extra Virgin Coconut Oil and Omega-3 Rich Organic Flax Seed Oil*

An alternative to fish and krill oil, this blend of coconut and flax seed oil contains the essential fatty acids to support:

- Joint Comfort*
- Cardiovascular Health*
- Neurological Functions*
- Immune Health*
- Skin Health*

Unlike traditional omega supplements, **Omega Coco FX** provides two plant-based sources for essential fatty acids. Made with non-GMO and gluten free ingredients, this supplement is also free of:

- Artificial dyes
- Artificial flavors
- Artificial fillers
- Animal by-products

Coconut Oil may help support normal metabolism and immune system response, healthy cognitive functions, and a healthy ratio of HDL to LDL*

Flaxseed Oil is rich in omega 3, 6, and 9 fatty acids that support joint comfort, blood sugar levels within normal ranges, healthy blood pressure, cholesterol levels within normal ranges, and healthy metabolism.*

Both Coconut Oil and Flaxseed Oil exhibit the potential to also provide support for healthy and vibrant skin.* The moisturizing effect of the Coconut Oil and the ALA from the Flax Oil provide membrane support for skin integrity and elasticity.*

Combining the two in one easy-to-swallow soft gel provides all the benefits.

Supplement Facts

Serving Size 1 Vegetarian Softgel
